### Experian's a leading Information Services Enterprise

We're passionate about unlocking the power of data in order to transform lives and create opportunities for consumers, businesses and society. For more than 125 years, we've helped people and economies flourish – and we're not done.

**Our 21k amazing people in 40+ countries** believe the possibilities for you, and the world, are growing. We're investing in the future, through new technologies, talented people and innovation so we can help create a better tomorrow. To do this we employ the brightest minds that share our purpose and want to make a difference.

We're so much more than you might think. A hidden gem. A company where every day brings unexpected rewards. Innovation is the norm in everything we do. If there's a better way to do things, we'll find it.

When we come together as a community, we inspire and support each other to make connections, uncover solutions and travel further. We are pioneers, leaders in our field: we recognise no boundaries and accept no limits to our ambition.

### Award winning 'people first' culture at Experian

**Our uniqueness is that we truly celebrate yours.** Experian's culture and people are key differentiators.

We take our people agenda very seriously. We focus on what truly matters; diversity and inclusion, work/life balance, flexible working, development, collaboration, wellness, reward & recognition, volunteering, making an impact... the list goes on.

### Our Commitments

#### People first

The people at Experian are what make us great. We bring our authentic selves to work, knowing our individuality is what makes us stronger together. We aim to win, but win together; one person's success never comes at the expense of others.

#### Innovative

We strive to find ways to use data for positive change in the world. Our unique combination of brilliant minds, complex data, and sophisticated technology drives our leading-edge innovation and enables us to do good on a global scale.

#### Together we win

We set big goals and rise to the challenge, always growing and improving. We collaborate to achieve greatness together and push each other to do our best – that's how we make a difference.

#### Force for good

Our business is built on trust, and we're passionate about being a positive force for good. Our innovative products and services help people take control of their lives – empowering them to make the right decisions for a better future.
